The Boy And The Tigers (Little Golden Book)

Synopsis

When a little boy named Rajani ventures into the jungle, he runs into several tigers who make him give them his fine new red coat, blue trousers, purple shoes with crimson linings, and even his green umbrella! But Rajani outsmarts the tigers in the end, in this kinder retelling of Helen Bannerman's Little Black Sambo. New illustrations and non-offensive names and character depictions make this story lovable again.

Helen Bannerman (1862-1946) was a Scottish author of children's books. She is best known for her first book, The Story of Little Black Sambo. Valeria Petrone has illustrated numerous picture books, including Red Truck, Blue Boat, and Yellow Copter (all by Kersten Hamilton),

andÂ Plumply, Dumply PumpkinÂ (by Mary Serfozo), and does editorial illustration for several Italian and UK magazines. She lives in Milan, Italy.

boys love it!

great story, why it had to be changed from original tho, the older version had better names to go with the story. still, love the book

I actually ordered the wrong book, but was able to use it for intended purpose! It was fine

I have read this book before, by another name. This is a good version for my own kids, although I did have to look up the pronunciation of some of the character names because I wasn't sure.

Since I wanted to show the grandkids what Grandma listened to in kindergarten this worked very well. One grandchild cried at the fearful place and the other grandchild looked at me bemusedly as if to say, "Really Grandma, it's just not possible for tigers to turn into butter." All in all---a successful bonding moment with the grandchildren.

The PC version of a childhood classic book. Love it!

This old story is still good.

My nephews love this book.
