Welcome To The Episcopal Church: An Introduction To Its History, Faith, And Worship

Synopsis

The perfect book for inquirers and new members, as well as current Church members who may be unfamiliar with some of the Church's history, beliefs, and practices. This new introduction to the history, polity, spirituality, worship, and outreach of the Episcopal Church is written in an easy-to-read conversational tone, and includes study questions at the end of each chapter, making it an excellent resource for adult parish study and inquirers' classes."

Customer Reviews

...makes clear that the worship of God is the most important thing that can be said about us... --from the Foreword, The Most Reverend Frank T. Griswold III, Presiding Bishop and Primate

As a new member of the Episcopal Church I found this book a great help in understanding many aspects of the faith. I do have to say though that there were a shocking number of glaring typos, particularly near the end, in the Kindle edition.

Terrific! Very pleased. Thank you.

Great introduction

One of the best books out there. A great introduction to the Episcopal Church including it's history from the beginning. Also clearly explains how the church welcomes all and judges none. After reading this book I knew the Episcopal Church was where I belonged.

As an inquirer, I have found this book to be just what I needed to clarify the nature and substance of the Episcopal Church. For my purposes, it answers the current questions I have in a clear, but comprehensive, way, making it an easy, enlightening read.

Very good book, explains the church quite well.

I have recently joined this church and this book was very helpful in explaining, in a very understandable, the principles and beliefs of the church. So very helpful.

The best, quick summary of our faith. Great for newcomers, and still beneficial for those who have been around but need reminding.
