Customer Reviews

Not exactly what I was looking for. I'm going to Germany for a visit and wanted to know how to ask

more questions and understand answers.

I study a lot of languages and needed to brush up on German. This provides a complete basic understanding of the language and plenty of vocab at a brisk pace. I needed to listen to lessons 3-10 several times, and that's exactly as it should be given the amount of material that's conveyed.

I think it is helpful for learning a few words. I probably should have started a lot sooner.

Without background in German, Living Language helps me learn the German language quickly. It is not boring. The material is very well organized. I am glad I purchased Living Language German, Essential Edition. Very good job. Thanks.

Perfect for me to learn German before we move there. Clear and easy. I love the CDs and online/mobile games and flash cards. I Can easily practice my German anywhere:)

This book is being used successfully by a small group to recover our ability to converse in the German language.

I am moving to Germany in a few months and am trying to learn some of the basics. This was an affordable product and has been useful in learning the basics. The workbook and accompanying audio CDs are great!

The notebook is especially handy for reinforcing lessons. Love this product!
