Quick And Easy Boat Maintenance, 2nd Edition: 1,001 Time-Saving Tips

Synopsis

STOP WORKING ON YOUR BOAT AND GET OUT ON THE WATER! Save money and time with these 1,001 tested tips from Sandy Lindsey, a boat-maintenance contributor to Boating magazine for many years. In Quick and Easy Boat Maintenance, Lindsey has culled the best of her years of advice and gathered the top suggestions from her readers. These handy, natural solutions work amazingly well and are environmentally friendly. Boats last longer and look more beautiful with proper care. But that care takes a lot less time when you work smart. See how you can make your winterizing and spring commissioning chores go much faster and learn Lindsey's labor-saving secrets for tackling: Teak, canvas, and carpet care Painting, metal cleaning, and polishing Fiberglass and gelcoat cleaning and repair Engine care and winterizing Mildew--how to get rid of it, how to prevent it This second edition is updated with green solutions, information about dealing with ethanol in fuel, how to maintain the new batteries, and an all-new chapter on maintenance aspects of sailboats (sail care, winches, lines, and wire rigging). Putting the helpful hints of Quick and Easy Boat Maintenance to work can change your boating life. Less time working means more time boating! "A treasure chest of proven labor-savers that can help get those pesky maintenance chores done faster." -- Observer-Dispatch

Customer Reviews

Sandy Lindsey writes for Heartland Boating, MadMariner (a division of the DIY Boater family), American Sportsman, Gaff, Showboats (recently merged with Boat International USA,) and

Wave/International Yachtsman, among others.

The hats were exactly as expected. The coolies will keep out drinks cold this summer.

I bought this book to get more ideas for cleaning our boat. Well I got more than what I expected. This book is loaded with a bunch of tips and all of the ones that I have tried have worked very well. I was really surprised that a couple of teaspoons of vinegar in a gallon of water will remove oxidation from gelcoat but the boat has never looked better. I will use this book for years to come.

Excellent product.

This book covers so much that you need to know to keep your boat clean and running great. Great product

VERY insightful, even that it was written by the wife of a boat cleaning products owner they don't shove their products at you! Lots of 'old school' tips to save you time and\$\$\$\$!

Just a series of tips articles. I was looking for something that gave me an ordered way of maintaining a boat in good condition. This was more directed at - if you let things get to this point, then you can get back in shape this way.

Easy read. filled with good hints. I like the specific lubricants listed and where to use them. The winterising tips were helpful.

I bought this book used on and found it to be extremely helpful. Granted, my boat is not a yacht and most of the wood/deck repair leaned toward Yachts. I still found this to be extremely helpful in repairing my bimini top, and refurbishing all the upholstery. I would have spent 3 times as much money on cleaners if I had not read this book.
