Six Events: The Restoration Model For Solving Life's Problems

Synopsis

Now available on 6 audio CDs! What is the PERSONAL SIGNIFICANCE of the six transcendent events of the Restoration? What power do they have to change individual attitudes and behavior? In this groundbreaking book, Dr. Stephen R. Covey teaches that these events answer seven foundational questions, each of which affects our capacity to fulfill our divine potential. • WHO? Who is God? Who is Christ? Who am I? Who are you? • WHOSE? Whose are we? To whom do we belong? Who paid the price? Who is the source of our salvation? • HOW? How do I get back to my God, my Father, my Creator? How can I become a partaker of the divine nature? • WHERE? Where do I go? Where can I find support, opportunity to serve, and direction for my life? • WHAT? What do I do? What is my work in mortality? • WHY? What’s it all about? Why am I on earth? Why do I need to be married for time and eternity? • WHEN? The seventh question is answered in the sequence of the six events.

How do you help a struggling teen, an overwhelmed mother, a teacher who feels inadequate, a divorced man struggling with feelings of self-worth? How can we find our way out of the darkness that so often engulfs us in mortality? The Lord has shown the way. The pattern he used to restore the gospel in a world filled with darkness provides a perfect model for our own spiritual and social development and for dealing with our most difficult and perplexing challenges. In his first book in more than twenty years written specifically for Latter-day Saints, Dr. Stephen R. Covey explores the six transcendent events of the Restoration and recommends strategies for internalizing each one of them. Â The First Vision Â The restoration of the gospel in the form of the Book of Mormon Â The

restoration of the priesthood Â The restoration of the Church Â The restoration of the keys to save the living and the dead Â The restoration of the temple ordinances But Dr. Covey goes far beyond a historical and doctrinal perspective, demonstrating the personal significance of those events and their sequence in our lives today. If, in solving your problems, you're interested in better understanding the pattern of the Lord's solution to the world's ills, you'll appreciate the inspiring insights in this masterwork for Latter-day Saints. Dr. Stephen R. Covey is co-founder/vice-chairman of FranklinCovey Company, a leading global professional services firm. An internationally respected leadership authority, family expert, teacher, and organizational consultant, Dr. Covey is perhaps best known as the author of *The 7 Habits of Highly Effective People*, which is ranked as a number-one bestseller by the New York Times, having sold more than 13 million copies in 36 languages throughout the world. He has served as mission president in Ireland and on several general Church committees. The recipient of many honors and awards, including seven honorary doctorate degrees, he names as one of the most meaningful recognitions his 2003 National Fatherhood of the Year award. He and his wife, Sandra, have nine children and live in Utah.

These CD's are intended for LDS church members. I have listened to these CD's at least 10 times, and will continue to do so in an effort to not only better understand the concepts being presented, but also to be so familiar with those concepts that I will internalize them...I have already put into practice some of these concepts and have had some wonderfully amazing and fulfilling experiences as a result. These CD's should be in every LDS home- they will enrich your life.

Stephen Covey outdoes himself once again, only this time he writes mostly to the LDS audience. Highly recommended to all who are interested in expanding their knowledge of the gospel.

A very thought provoking book, all need to read and ponder the ideas presented.

Fantastic book, great condition. Just as they said.

Very inspiring.

I was pleasantly surprised with this latest work from Covey. It is outstanding, history explained and it is clear and to the point. If you are a student of the gospel and the First Vision this is the best I've found in twenty plus years. I have read it twice and am now reading with my wife.

I received the CD's of this book as a gift and we look forward to listening to them. My daughter bought the book at Deseret Industries in Salt Lake and read it and she said her two daughters need to read it too. She found a copy for one daughter and couldn't for the older girl so I got on and it was a very low price so I ordered it for my granddaughter. She got it in good time and will read it as soon as she can. We have done business with when we need a book and always get excellent service and the best price anywhere. Good Job . Yes I sure would suggest to anyone.

This is an outstanding book. I have read most of Covey's works, and have enjoyed this book the most. I wish I would have had the information in this book, when I was a young parent. I highly recommend it to any person who has a desire to live a good life.
