Michelin FRANCE: Corsica Map 345 (Maps/Local (Michelin))

Synopsis

Michelin's local map series with its high level of road detail is ideal for exploring the villages, towns and back roads of France. Bike paths and nature trails are indicated for outdoor fun, while suggested driving tours highlight the must-see sights of each area. Inset town maps help with navigation in and around urban areas. Clear, precise cartography with symbols conveying important travel information plus a legend in English allow travelers to quickly find their way.

Customer Reviews

The map is very good, very detailed since it is the size of a carpet. It is onesided and made from a very thin, flimsy paper which would not withstand folding and unfolding it in a small European car. And if you are going to drive in Corsica, you better go with the smallest car possible. Left this map at home and managed without any issues with GPS in the rented car.
