Elenchos And Eristic: A New Translation Of Plato's Charmides, Laches And Euthydemus With Extensive Notes

Synopsis

A new English translation of Plato's Charmides, Laches and Euthydemus with extensive notes. This collection of three philosophical dialogues highlights the famous "Socratic method" of inquiry (the "elenchos," a method of refutation) and contrasts it with a prominent method used by the Sophists ("eristic," a method of debate).
